### **Word of God this Week**

Again, it is prophecy that is our theme. Here, we concentrate on the sending of prophets, the entrusting of the mission to them, and most importantly the necessary qualifications to be a prophet. The only qualification necessary is an open ear, to hear the mandate from God. We see this in Amos, the simple shepherd, and in the Twelve, called by Jesus from their humble occupations, which no one would have thought qualified them to speak on religious themes.

### **For Your Prayers:**

Continue to pray for all those who are sick at this time, those at home and in hospital. We also remember their carers and the sacrifices they humbly offer.

We pray to the merciful Heart of Jesus for those who have died, especially those whose anniversaries occur this week including: **John Croom & Eleanor Jones.** Eternal rest grant unto them O Lord and let perpetual light shine...

*"The nation doesn't simply need what we have. It needs what we are."* - **St. Teresa Benedicta of the Cross**
